

THE ASSOCIATION OF THE GEORGIA STATE DEFENSE FORCE

THE ASSOCIATION OF THE GEORGIA STATE DEFENSE FORCE (TAGSDF) is a non-profit organization created to provide individuals, businesses, and other organizations the ability to make a tax-deductible contribution to support the Georgia State Defense Force (GaSDF).

TAGSDF has a Board of Directors, and a slate of officers, who manage the receipt and disbursement of funds. TAGSDF appoints a delegate to represent the GSDF at meetings of the State Guard Association of the United States (SGAUS), which promotes the interests of the various state defense forces around the country.

As the result of membership dues and contributions, in the past year TAGSDF has been able to purchase and provide software for all of the computers used by DIV HQ at Building 15 at the Confederate Avenue facility; pay for the recruiting brochures used by the GaSDF; and pay for the food and supplies used at the 1BDE FTX. Funds have also purchased communications equipment, as well as search and rescue gear for selected units.

The resulting use of these funds assists the soldiers of the GaSDF in completing their mission.

Donations should be made to:
